[Return to main index](#)

The Lawn Lite is designed for insertion into a lawn or garden bed and can be mowed over without damaging the luminaire. Designed so the lamp can be directed up to 20 degrees at a bush, tree, or the outside of a building, etc. without the need to remove the luminaire from the ground due to the vandal-resistant three stainless steel allen head screw fixing system which attaches the flange to the body of the luminaire. With a 'Flush Fit' lens to stop water pooling and depositing dirt on the lens.
